November 13, 2010	Saturday
December 4, 2010	Saturday

*****Some classes fill far in advance - please plan early*****

PADI - Discover Scuba Diving Course

Atlantis Outfitters, Inc. offers the world's most popular introduction to scuba diving. Give it a try. Diving can change your life. This program is available in a pool, ocean, river, lake, quarry or almost anywhere there's water.

(The following information is for the "pool" Discover Scuba Diving experience.)

Discover Scuba Diving skills may be credited toward the PADI Open Water Diver certification.

Most Discover Scuba Diving experiences take just a couple of hours.

No equipment necessary - everything's provided except you supply the smiles ☺.

To enroll in a class or for more information, please feel free to contact us or stop by the store.

Our PADI Discover Scuba Diving Course Fee of \$25.00 includes:

- Classroom Session
- Pool Session
- Use of ALL Scuba equipment.

Registration:

We require the course fee be paid prior to the class, to hold your place in class. The course fees are **non-refundable**, but are transferable if you need to change class dates.

Dates and Times:

You need to be at the store promptly at 3 PM on Saturday.

Forms:

A short medical form must be filled in with the words YES or NO spelled out, PRIOR to the pool session (this form must be sent to the store at least 3 days before your experience). The form is available on our website (http://www.atlantisoutfitters.com/dsd_statement.pdf). If you have a YES answer, that does not mean you cannot dive or take the class, but it does mean that we will need to have a PADI Medical Form filled out by your doctor PRIOR to participation in the pool sessions - this form is also available on our website - (http://www.atlantisoutfitters.com/medical_statement.pdf). **There can be no exceptions.** If you have any questions about this medical form please ask and we will be glad to help you.

Equipment:

Other than a swimsuit and towel, we provide all the equipment you need for this course. If you have equipment you have already purchased, we will need to see the equipment on Saturday to be sure it is suitable for scuba.
